

ACS Local Section

Maryland

The Maryland Local Section of the American Chemical Society invites you to join Dr. Rigoberto Hernandez, 2025 ACS President-Elect, your fellow members and students for his presentation on: Chemistry is Everywhere.

Chemistry is Everywhere

Dr. Hernandez will share how he sees chemistry through the lens of computational and theoretical chemistry, and the solutions it offers to this century's challenges. Molecular dynamics, enhanced sampling, nonequilibrium statistical mechanics, coarse-graining, and machine learning are being used to characterize and predict nanomaterials. He will also share strategies for managing your career development, and fostering a culture of inclusive excellence. More information about Dr. Hernandez can be found at <https://www.rigobertoherandez.org/>

When: 4/September/2025 at 6:30 PM

Where: Community College of Baltimore County, Center for Arts Building, 360 Campus Dr, Catonsville, MD 21228.

To register for the event, please open the camera on your phone to scan the QR code to the left or click on the QR code for the direct registration link.

For questions please send an email to acsmarylandsection10@gmail.com
