

# Senior Chemists Award Reception -Report

*On Behalf of the entire American Chemical Society, the Maryland Local Section congratulates the members that have reach a remarkable milestone of 50, 60, and 70 years of membership and service to American Chemical Society in 2025!*

*We took great pleasure in acknowledging these distinguished members who have contributed and continue contributing to the American Chemical Society and to the Maryland Local Section. They have touched the life of many chemists during their career and have left a great legacy of knowledge, camaraderie, and enjoyment in the chemical industry. Please join us in enjoying the photos of the luncheon reception given on their honor and also learn a bit of their remarkable life in the chemistry field. The reception took place on June 25, 2025. We hope this is not the last time we see you in the Maryland Local Section. We want you to feel welcome and hope we see you at our regular events.*

*Sincerely,*

*Beatrice Salazar,*

*Chair, Maryland Local Section*
