This certificate is presented to

ROSE PESCE-RODRIGUEZ, PH.D.

Volunteer of the Month, October 27, 2025

for her outstanding contribution to the ACS Maryland Section Outreach Programs.

Her work during the National Chemistry Week, NCW “The Hidden Life of Spices” connected school children, parents and scientists by bringing curiosity and chemistry knowledge to the community. Her venue, using public libraries, gives opportunity to showcase how chemistry is connected to our daily lives.
